WORLD'S VEHICLE DOCUMENTS is an association made of Police Officers. Its main goal is to offer a valid tool useful to everyone who is involved in fighting autocrime and document forging.

• SITO WEB

www.vehicle-documents.it

• DOC DATABASE.

This database is a useful tool to all who deal with document fraud and with illegal vehicles' trafficking. It is also a helpful tool to all who have to check various foreign id driving licences and registration documents as part of their daily duties. DOC Database is a powerful tool that can help verify if the documents one has been shown are genuine.

• TRAINING
